It's Kingdom Connection Nite! segment fosters the Spirit of Unity in the Body of Christ by presenting and introducing ministries and Christian businesses so they are prayerfully supported and encouraged, and new Kingdom Connections are developed. Its ministry theme is from Psalm 133, God will "command a blessing" upon us as we dwell together in unity and Eph. 2:19-22, as we're **"Connecting The Body to The Body!"**

LifeThought 4 Ur Journ'y segment - Mini-messages and meditations encouraging abundant living. Its ministry theme is Phil. 4:8-9 **"Life-Giving Wisdom 4 Ur Way!"**

Quotes & Notes

“Before a man receives the wife God has for him, he must first have an established relationship with God, be mature, and walk in the purpose God gives him.”

“Many men may not be able to properly cover a woman or children because there have been breaches in their own coverings. Someone may have abandoned them or misused their authority to abuse them in some kind of way.”

“Restoring the precious, protective, proper covering of a man over a woman's life”

Although written primarily to women, this teaching/testimonial enlightens both women and men about:

- The three main biblical male coverings over a woman's life
- The consequences of not seeking God about marriage
- The expectations of “robbing the cradle” in the Kingdom and “marrying unequally yoked”
- The causes and effects of breaches in male coverings
- Jesus' example of the Perfect Lover

Amazon Book Review...5-Stars!

"Like an Umbrella..." - Joy Turner

I absolutely could not put Evangelist Morton's book down...I thought the book was an extremely powerful tool to help both women and men realize the wonderful potential in acknowledging God's order of our relationships...

I believe that the author has really rightly divided the Word of truth in her book to explain the roles that both men and women play and why it is important for us to submit under a proper covering.

Our spiritual protection (in the book) is likened to that of the natural protection of an umbrella, capable of shielding us from the elements of life. I was truly blessed by this book and hope to read it again and again. ...I believe that all women of God would benefit from the wisdom that is shared through God's anointing on this book.
